

Dr. D. Damodar Reddy, Director, ICAR-CTRI, received the prestigious **XII International Congress Commemoration Award of The Indian Society of Soil Science, New Delhi** at the 82<sup>nd</sup> Annual Convention of the Society on 11 December 2017 at Kolkata.

This award is bestowed on him in recognition of his “outstanding contribution to elucidating soil fertility dynamics using organic vis-à-vis inorganic inputs and developing strategic interventions for improved nutrient use efficiency and production sustainability.”
